## Competition Classes

Participants may compete in either of the following Competition Classes:

1. Open Class: Open to all participants with any type of camera and accessories. Published and professional photographers are automatically placed in this category.
2. Compact Class: The Compact Class is exclusive for participants using cameras without interchangeable lenses. Mirrorless, SLR, and all similar type cameras are not allowed in the Compact Class.

## Class Categories and Special Awards

---

Each class have four (4) categories:

1. Nudibranch: Photographs of any species of nudibranch or soft-bodied, marine gastropod mollusks.
2. Marine Behavior: Photographs that feature any display of marine behavior such as feeding, breeding, etc.
3. Fish Portrait: Photographs of any species of reef fish
4. Creative Macro: A new category this year that allows post-processing of any underwater macro photography taken during the competition dates. This is to promote and allow for participating photographers to express execute their artistry.

---

Portfolio: Every participating photographers submissions to the 4 above-mentioned categories will be considered that photographer's Portfolio.

Special Awards: The 2017 competition will feature surprise categories that will be disclosed at the registration/opening ceremony.

## Criteria for Judging

---

40% Visual and Aesthetic (Framing, Composition, etc)

30% Technical (Proper Exposure, Focus, DOF, Color, etc)

20% Originality (Style, Vision and Execution)

10% Content (Creature involved, Difficulty, Relevance)

The judges' decisions are final.
